What Your Clients Gain

- ✓ 80% reduction in invoice processing time
- ✓ Automated workflows with proper approval controls
- ✓ Real-time visibility into AP status and cash flow
- ✓ Seamless integration with existing accounting systems
- ✓ Complete audit trails and real-time alerts
- ✓ Significant cost savings on AP processing

Dual Revenue Streams That Grow with Your Practice

Platform Fee Rebates

Earn ongoing commissions from monthly platform subscriptions for every client you bring to PathQuest.

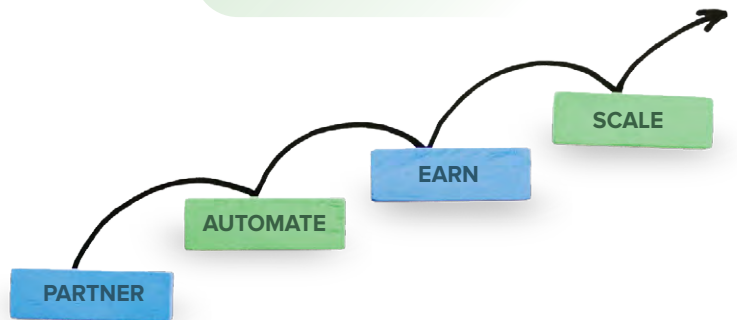

Virtual Card Processing Rebates

Additional revenue from payment processing volume—more transactions mean more earnings.

Why PathQuest AP is Perfect for Your Clients

For Small to Mid-Size Businesses

- ✓ Eliminate manual invoice entry and approval bottlenecks
- ✓ Reduce processing costs 60-90%
- ✓ Improve vendor relationships with faster, accurate payments
- ✓ Gain complete visibility into spending and cash flow

For Growing Companies

- ✓ Scales seamlessly without adding administrative burden
- ✓ Integrates with QuickBooks, Sage, Xero and other popular accounting systems
- ✓ Provides the controls and reporting needed for compliance
- ✓ Future-proofs their AP processes as they expand
